### The 40 Days of Lent

<sup>12</sup> *And the Spirit immediately drove Jesus out into the wilderness. <sup>13</sup> He was in the wilderness forty days, tempted by Satan; and he was with the wild beasts; and the angels waited on him.*

#### Mark 1:12-13

**Wednesday, March 1** begins the 40 day journey we Christians call **Lent**. Lent is a time of preparation, self-examination, and repentance, recalling the 40 days Jesus spent in the wilderness.

Lent is a time in which we examine our brokenness, while holding onto God's promise of wholeness through Jesus. Many of you know that I had hoped for us to begin a church-wide study of the **Purpose-Driven Life** during the 40 days of Lent, but the circumstances of my daughter Hannah's two surgeries in the past month have not allowed me sufficient time to plan this incredible experience.

Owning up to the brokenness of our lives is what Lent is all about: recognizing that as we walk through the wilderness we have to rely completely on God, and not on our own understanding, or our own plans. We are called to remember that, as Twila Paris sings in a contemporary Christian song, "God is in control!"

I hope you will join me over the next 40 days of Lent, letting God control our lives. You may be walking in the wilderness, or in a time of great excitement and joy – or perhaps somewhere in between. Whatever state you are in, I pray that the next 40 days will bring each of us closer to God, and God's Love.

Look for us to begin the exciting study of the **Purpose Driven Life** later this year!

### **Administrative Council**

As the weather decides which way it will go, so must the Church. We, the people, are the Church for Christ. The Bible says that we each one represent a part of the body or His Body for the people of the world. That means Christians and non-Christians will look to us for answers, guidance, and examples. Unlike our Texas weather that changes day to day, minute to minute, we as Christians must have our minds made up as to what way we will act, react, and respond to people and situations we experience in our daily life. So have you made up your mind? Do you know how you are going to respond to the "weather" that might be in your life's future? If you don't, make up your mind now. What about our Church? Do we have a plan or a response to any life situation we may experience? Maybe we need to get a vision or make a plan. That is something to think about. Next time the weather changes on you unexpectedly, maybe God is wanting you to take stock in yourself. Be in prayer for yourself and our church for our church's future. Remember, people are watching us....it is up to you what they will see.
